

HALF (Hinton and Longworth Educational Fund)
2021 Annual Report

As with most other similar organisations, HALF has had a lean year with the usual opportunities for fund raising thwarted by restrictions and lockdowns.

The Trustees very much regret that HALF will not be in a position to make any awards this coming year to the usual timetable. We will of course keep the situation under review in the hope that matters improve later in the year and that fund raising is again possible.

We look forward to the usual generous support of the local community for future events so that we can continue to help local educational and social welfare enterprises.
